INDEPENDENT ACCOUNTANT’S REVIEW REPORT

To the Board of Directors
Zonta International – District 5

We have reviewed the accompanying financial statements of Zonta International – District 5 (a nonprofit organization), which comprise the statement of assets, liabilities, and net assets—cash basis as of May 31, 2019, and the related statement of revenues, expenses, and other changes in net assets—cash basis for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management’s financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant’s Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with the cash basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.
Accountant’s Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with the cash basis of accounting.

Basis of Accounting

We draw attention to Note A of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

Note 1 – Summary of Significant Accounting Policies

Organization

Zonta International is a non-profit, professional organization. Its purpose is to encourage high ethical standards in business and in the professions and to advance the status of women worldwide. District 5 was created by the International Board to serve as the administrative link between the clubs within its established boundaries of Ohio, West Virginia, and Kentucky and the International organization. All share the same purpose – to further the objectives of Zonta International.

Tax Status

The organization is exempt from Federal income tax as an organization described in Section 501 (c)(4) of the Internal Revenue Code.

Basis of Accounting

The Organization’s policy is to prepare its financial statements on the cash basis of accounting; consequently, certain revenues are recognized when received rather than when earned and certain expenses are recognized when cash is disbursed rather than when the obligation is incurred. This basis differs from generally accepted accounting principles primarily because the organization has not recognized accounts receivable and accounts payable and their related effects on earnings in the accompanying financial statements.

Fund Structure

In order to ensure observance of limitations and restrictions placed on the use of resources available to the organization, the accounts are maintained in accordance with the principles of “fund accounting”. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with the activities or objectives specified. Separate accounting is maintained for each fund; and accordingly, all financial transactions have been recorded and reported by fund.

Depreciation

Depreciation is calculated using straight-line over an estimated useful life. The estimated useful life for equipment is five years.
Note 2 – In Kind Support

Zonta International – District 5 receives donated services from volunteers. These donations constitute a factor in the operation of the organization. However, due to the nature of donated services and lack of objective means of evaluation, they are not recorded as contributions. Board expenses reported but not reimbursed are reported as in-kind contributions.

Note 3 – Equipment

No equipment was purchased during the year ended May 31, 2019. Depreciation was calculated using the straight-line method for five years and three years. Equipment cost and accumulated depreciation for the year ended May 31, 2019 was $2,507.72. There was no depreciation of funds for 2018-2019.

Note 4 – Description of Funds

The Zonta International – District 5 Rules of Procedure require an annual $ 6.00 per capita conference assessment to be paid at the same time as the District per capita dues. The District Board determines the allocation of the assessment between the Conference fund and the Convention Fund. The District Board shall transfer to the general operating account the amount of surplus Conference funds in excess of $2,500.00 without further approval by District Clubs.

Funds are described as follows:

Conference Fund – Established by the district to cover meeting expenses related to the annual District 5 fall conference/retreat.

Convention Fund – Established by the District to cover travel and registration expenses for the District Governor and the Governor-Elect to attend the International convention held biannually.

Operating Fund – Established by the District to cover administrative expenses related to the operation of the District.

Service Fund – Established by the District to accept donations for District service projects and to make contributions on behalf of the District to the Zonta International Foundation.

All Funds are classified as Unrestricted.

Note 5 – Area Workshops

Area One had a meeting overage of $197.26 which resulted in an overall negative balance of $124.59 for the Area Workshops on the operating fund worksheet. Since the overage was calculated as a service revenue, the difference of $72.67 was recorded as a Area Workshop expense which ties the financial statements to one another.

Note 6 – Subsequent Events

Subsequent events are evaluated through June 25, 2019, the date the financial statements were available for issuance.

• As Exec. Dir. for Sandusky Area Health Educ. Center till 2018, I worked with a board of directors and coordinated school programs with health care professionals offering career-based programs similar to club-like informational sessions about of Z clubs.
• As Corporate Training Director for Cedar Fair L.P, till 2008, the managerial skills I developed in the position of training & development, offered a good platform for the influx of international employees from 25 nations. I orientated full-time & international employees each season. I learned how to acclimate the Turks, Thais, Russians, Poles, Czechs, and more to our systems, habits and so forth. I wrote booklets for each culture and used Hofstede’s culture guide. Sandusky Zontians hosted a dinner for some of these students regularly to welcome them.
• 1:1 Service Provider- Alcohol Recovery Outreach Volunteer, Sandusky. Lector- Sts Peter/Paul.
Sunny has been a Zontian since 1999. She has served her Club of twenty years in many ways, including Treasurer, Vice-President and President. She is currently the District 5 PR & Communications Chair, while also serving as President for the Zonta Club of Cleveland, after serving as the Area 3 Director for the 2014-2016 Biennium. It was during this position that she started the current District 5 Newsletter and is still editor.

A Certified Public Accountant (CPA) with an active license to practice in the state of Ohio since March 15, 1996, Sunny is also a member of American Association of University Women (AAUW), Cleveland Branch for longer than she has been a Zontian. She also was a long-time member of, and served as President, of the now-defunct Cleveland Chapter of what was formerly ASWA.
Was President of Zonta Club of Toledo 1 for the year 2017-2018. For the 6 years since joining the club have served on the Membership Committee and chaired this committee for two years. Other committees on which I have served include the Social Committee, Fundraising, and Advocacy committee. This Biennium serves as Chair of the Scholarship Committee.

I am a Professor at the University of Toledo’s Speech-Language Pathology program housed within the College of Health and Human Services. We have a robust undergraduate and graduate program of approximately 200 students. Three years ago I became the Program Director of the Speech-Language Pathology Program and am directly responsible for running the undergraduate and graduate programs. This includes advocating for student and faculty needs, hiring and training of professors and lecturers, creating strategic plans and implementing these plans, beyond the basic duty of advising and educating young students. Our graduate program is accredited by the American of Speech-Language-Hearing Association (ASHA). My most important duty is to maintain this accreditation and the standards required by ASHA. I believe that as Program Director I have developed several leadership skills that include working with colleagues to realize a united goal and mission, similar to Zonta.

In addition, all professors are expected to maintain a strong research agenda and publish scientific papers in far reaching journals. My research skills helps me to look at issues in a more scientific manner and look for solutions that are not biased.

We are expected to conduct service at the program, college and University levels. Part of my service includes running a clinic for people with Parkinson’s disease and this experience has helped me develop my people’s skills – particularly recognizing people’s needs and how I am able to help

For the last two years I have been part of the Faculty Senate, a body that is involved in University governance. I believe this experience has also honed my leadership skills.
Over the past 18 years, Connie has served the Zonta Club of Cincinnati in a variety of capacities: Club President 2014-2016, President-elect 2013-2014, Vice President, Treasurer 2004-2006, and Board Director for several terms. Connie has chaired the Membership Committee and Co-Chaired the Advocacy Committee. She currently serves on the Finance Committee, By-Laws Committee, Scholarship Committee and the Fund-Raising Committee. She was a delegate to the 2014 Zonta International Convention in Orlando Florida.

Connie has worked for Life Enriching Communities in Cincinnati, Ohio, a company that owns and operates senior living communities for 19 years, serving as Vice President of Marketing and Public Relations for the past 14 years. She also serves as Executive Director of Confident Living, a new Continuing Care at Home program.

A native of Covington, Kentucky Connie is a graduate of the University of Kentucky holding a Bachelor’s Degree in Education and a Master’s in Social Work. In her career, she served as President of the Board of Directors for the Women’s Crisis Center of Northern Kentucky and served on boards for the Sycamore Senior Center, the Greater Cincinnati Joint Council on Geriatric Care, and the Friends of Covington.

She is passionate about Kentucky basketball and in her free time enjoys yoga, music and spending time with her husband camping, golfing and hiking.
Since joining Zonta in 2012, I have served on the Club’s Service Committee (2014-2016), President-Elect (2016-2018) and currently President (2018-2020).

I have worked in careers assisting individuals of various ages pursuing Postsecondary Education for 14 years. My jobs have included working for Kentuckianaworks WIA (Workforce Investment Act) where I assisted individuals enrolled in school/training program for high in demand jobs obtain funding; later I worked for Family Scholar House as their Academic Programs Coordinator. In this role I was responsible for working with the organization’s participants on all aspects of college- such as helping them identify college/university, hosting workshops and information session on accreditation and proprietor institutions, college fairs, class scheduling, financial aid, etc. Finally, working for Jefferson Community and Technical College as an Academic Advisor, then Transfer Coordinator, now Assistant Director. My responsibilities include working with 4-year institution to connect our students, faculty and staff with accurate information on course selection, deadlines, requirements, etc. to ensure our student will be able to transfer seamlessly to pursue continued education (Bachelors, Professional Programs, etc.) upon earning their Associate degree. Within these roles, I have gained much experience working with diverse group of individuals. I am a very personable individual who establishes and maintains good rapport with students, clients, school personnel, and business associates. Some of my top qualities are maturity, honesty, efficiency, reliability, and the ability to work with and lead a team.

In addition to my professional life, I’ve been happily married for 9 years to my very supportive spouse (Jason) and the proud mother of 2 children (Evangeline (6) and Lincoln (3)). I work hard to balance working full-time and spending quality time with my family. I’ve loved being a member of Zonta both for the professionalism, but also for the fellowship and friendships.

District 5 Motions

The following motions will be discussed and voted on during the 1st Business Session at the District 5 Conference.

- Motion for Proposed Change to District 5 Rules of Procedure
- Motion to Make Contribution to Centennial Anniversary Endowment Fund

Motion for Proposed Change to District 5 Rules of Procedure

Proposed change is shown in bold.

2. District dues and fees shall be determined by two-thirds (2/3) vote of the voting members including proxies at a District Conference or Fall Meeting. On June 1st of each year each club shall pay to Zonta International District 5 twenty-three dollars ($23) per capita dues based upon the number of members in the club as of June 1st. For members admitted from December 1 through May 31, clubs shall pay one-half (1/2) their per capita dues to Zonta International District 5. Young Professional dues shall be half (50%) of traditional member dues.

Proposed by: District 5 Membership Committee

Rationale: During the 2018 Zonta International Convention, a change to the Zonta International bylaws to decrease international dues for Young Professionals by 50% was approved. This motion would align district dues to international dues and may encourage young professionals to join Zonta.

Recommended for adoption by: District 5 Board

Motion to Make Contribution to Centennial Anniversary Endowment Fund

A motion is made by the District 5 Board to make a contribution from the district to the Zonta International Centennial Anniversary Endowment Fund in memory of Past International President Eleanor Jammal. The contribution will be made on the date of Zonta’s Centennial Anniversary (November 8, 2019) for $2,500 and from excessive funds in the District 5 treasury. The District 5 Treasurer will be responsible for making the contribution to the endowment fund on behalf of the district.

Proposed by: District 5 Board

Rationale: Eleanor Jammal was a member of the Zonta Club of Ashtabula Area for over 65 years and was Zonta International President from 1974 – 1976. She was an inspiration to women around the world and has left a legacy in Zonta and District 5. Eleanor passed away on July 28th at the age of 93. As a result of good fiscal responsibility and strong performance of investment funds, the district has excess funds and can comfortably make the proposed contribution to celebrate the life of an amazing woman and Zonta’s Centennial Anniversary.

Recommended for adoption by: District 5 Board
