Governor's Welcome

Welcome to our District 5 Governor's Conference 2024! Our Louisville Club, District Conference Chair and Committee have been working since January to give you a Training Event that will Empower Us All for the entire Biennium.

You will notice Revamps of Regular Business Sessions and our new Fun-Raiser to keep this Event Fresh and to Honor the Time & Money you're spending to be here.

Our District 5 Focus is to Help You as a Club Leader, to Learn, Grow & Connect! Connecting being the Key Word. All our Clubs are undertaking Creative Service, Advocacy, Fundraising and Membership Projects that you will be Invited to Share which will enhance Everyone's Efforts to Building a Better World.

Your District Board and Committee Chairs will Connect to Your Club Chairs & Leaders to Listen, Inform and Help with any Challenges. We will be using Updated Communication Styles to Link all Leaders and Members. As you probably have noticed we have begun doing this with the Conference. Your Presidents and Area Directors will be discussing how Best to Modernize our Spring Area Meets to Get us Excited to Gather again with Other Clubs and Discuss Our Progress.

We will continue to keep you apprised of Worldwide Events and Zonta International Tools to make this Volunteer Job easier. We want to work Smarter not Harder. By Simplifying our Goals and Staying Connected, we will Achieve just that, for all Members.

We ask that you keep us informed as well. Share your Questions, Accomplishments and Problems, so we can Help and Learn Together how to Empower the Next Generation of Zonta Leaders for our Clubs and District.

Finally, Thank YOU! I am honored to be District Governor for 2024-26. Our District 5 has over a 103 Year History of Serving our Communities and Zonta Internationally. EMPOWERING YOURSELF

Maggie Harlow grew up in an entrepreneurial family. Her experience running the family car dealership prepared her well to open her first franchise, Signarama, in 2003 in partnership with her husband. While Signarama is their first flagship enterprise, that have had many other businesses over the years.

Maggie has served many nonprofits and business organizations in Louisville. Most proudly they created their own grant program Signs of Support which has been adopted by many Signarama's in the US and Canada.

Maggie is active in the Louisville Business community, having served as President of the Louisville Chapter of the National Association of Women Business owners. In 2010 she was selected as a Louisville Connector through the Leadership Louisville Project Signarama has been a finalist for the Better Business Bureau Torch Award for Workplace Ethics and the "We Care" Award. Maggie serves on the University of Louisville Board of Overseers.

Maggie and her husband are parents to two adult sons: Clay an entrepreneur himself, and Jack Harlow, a world-famous rapper and actor. Between managing the schedules of her two sons, running two successful companies, heading up a networking organization for women (CLIFF DIVERS) and staying active with regular cycling classes, Maggie Harlow has her plate full.

But when we say her plate is full, it is full of laughter, achievement, and fun. The things that Maggie takes on are tasks that empower, challenge her, and ultimately inspire others to do the same in their own lives.

Water Step Program

Donation to Louisville Club's Service Program

WaterStep is a 501c3 non-profit organization that empowers ordinary people to save lives with clean, safe drinking water. Among its efforts is a shoe program that in turn is sold to a shoe vendor. Those funds help build water purification systems, hand-pump repairs and training to help those who thirst for safe drinking water. They are sent globally and where the need lies.

We will take any and all shoes regardless of their condition as long as the top part of the shoe is still attached to the sole.
